

Cappellotti

Meat ravioli

Ingredients:

- Egg ravioli sheets
- 200gr. (10.58 oz.) of minced meat
- 4 sausage
- 200gr. (10.58 oz.) of cooked ham
- 100gr. (3.52 oz.) of butter
- Celery, Carrots and onion as required.
- White wine

Preparation:

1. Start to make a sauté with onion and oil while blending all the rest of the ingredients then add sausage, meat, ham and meat then blend them with white wine
2. Lightly flour your kitchen counter to prepare the pasta.
3. Cut the ravioli sheets into rectangle - about 12 inches by 4 inches and place them on the floured surface
4. Along the center of the rectangle, place a little amount of the meat mixture at 3.5 cm (1,37 inches) intervals, making sure there is a 3.5 cm interval at each end.
5. From the top, fold the pasta sheet over the filling and seal the two ends pressing down with your fingers.
6. Start from one end and press firmly around the mounds ensuring you do not trap any air. Try and use the hole at the other end to push out the air.
7. Use a knife to cut the ravioli into squares and place them on a lightly floured surface.
8. Bring a pot of water to boil and salt the water. The ravioli should take about 5 minutes to cook, but taste the corner of the ravioli to check- it should be soft and not doughy.
9. While the pasta is cooking, melt the butter in a frying pan with some boiling water from the pasta. Once it is melted, add the sage leaves, turn up the heat, and cook for one minute until they change color.
10. Remove the pan from the heat.
11. Once the ravioli is ready, remove it from the water with a slotted spoon, place it on a plate, and pour over the melted butter and the sage leaves. Sprinkle with some parmesan and eat!
